The students of the Open University do not go to the college every day. They do not have regular time for their studies because of their professional and family responsibilities. The Open University has independently developed a learning method for such students. This method has following components:

- Self learning material
- Counseling during contact sessions at the study center by the subject experts.
- Use of Audio and Video cassettes

Special Features of the Self Instructional Books

The students are given the syllabus of the courses and the self-learning materials. The students get these text-books after paying total programme fees and are allowed to keep these with them. These self-learning materials are written in a format different from the conventional published texts. One can understand the text through reading because it is divided into small units. Each unit is explained with the help of graphs, pictures and illustrations to cover a specific topic. There are in-text questions for each unit so as to revise and review the comprehension of the reading material. It helps the student to study a specific topic. If the student has any difficulty, he or she can make a note of it, he can discuss these noted difficulties with the counselor during the contact session at the study centre.

■ Nature of Contact Sessions

The student can choose a study centre as per his/her convenience. Generally, the contact sessions are held either on weekly holidays or in the evening, after office hours. Fifteen counseling sessions of two hours each is conducted at the study center. During these contact sessions, the counselors are supposed to guide/discuss with the students, based on the course material. These contact sessions are also used to view multimedia (Audio/Video) at the study centers. The students can solve their difficulties by discussing the issues with their colleagues as well as with the counselor during contact sessions.

3. Evaluation Procedure

There will be one End Examination of the objective type (Multiple choice questions MCQ), carrying 75 marks. Marksheet will be issued after successfully passing the examination. The final examination is based on the books (C19) (a) Basic study skills (b) Basic language skills and (c) Mathematics of all.

Students are supposed to make optimum use of the above mentioned learning facilities and develop his/her own study method. Students have to utilize the time in a planned manner keeping in mind the time availability. The study done by recitation alone is not a real study. The learners should have a clear understanding of the subject and should be able to use the knowledge in the right place and in the right manner. So learners are expected to study with emphasis on demonstration and practices.

Subject : Recognition of Degrees awarded by Open Universities.

Sir/Madam,

There are a number of open Universities in the country offering various degrees/diploma through the mode of non-formal education. **The Open Universities have been established in the country by an Act of Parliament or State Legislature in accordance with the provisions contained in Section 2(f) of University Grants Commission Act, 1956. These universities are, therefore, empowered to award degrees in terms of Section 22(1) of the UGC Act, 1956.**

A circular was earlier issued vide UGC letter N.F.1-8/92(CPP) dated February, 1992 mentioning that the Certificate, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country.

Attention is further invited to UGC circular No.F1-25/93(CPP-II) dated 28th July, 1993 (copy enclosed) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional Universities is ensured without any difficulty.

The UGC has specified the nomenclature of degrees under Section 22(3) of the UGC Act, 1956 to ensure mandatory requirements viz. minimum essential academic inputs required for awarding such degrees. A copy of Gazette Notification regarding specification of degrees issued vide No.1-52/97(CPP-II) dated 31st January 2004 is enclosed. The details are also given in UGC Web site : www.ugc.ac.in

May, I therefore request you to treat the Degrees / Diploma / Certificates awarded by the Open Universities in conformity with the UGC notification on Specification of Degrees as equivalent to the corresponding awards of the traditional Universities in the country.

Yours faithfully

(Dr. Mrs. Pankaj Mittal)
