for registration**

**Yashwantrao Chavan Maharashtra Open  
University, Nashik**  
The YASHWANTRAO CHAVAN  
MAHARASHTRA OPEN UNIVERSITY (YCMOU)  
through its technical, vocational, professional and  
liberal education programmes, application of modern  
communication technologies and adoption of the  
distance education methodology strives towards  
developing an innovative, flexible and open system of  
education with the ultimate goal of becoming a 'mass  
university'. It is established on 1st July, 1989 by Act XX  
of the Maharashtra State Legislature. Recognised  
under 12 (B) of the UGC Act. It has the following  
Objectives.

- To make higher, vocational and technical education available to large sections of the population.
- To pay special attention to the needs of the disadvantaged groups, in particular, people in rural areas and women.
- To relate all courses to the developmental needs of individuals, institutions and the State.
- To provide an innovative, flexible and open system of education by using distance teaching methodology and by applying modern communication technologies to education.
- To provide continuing adult and extension education. Special attention to be paid to retraining adults in new skills to enable them to adjust to a changing technological environment.
- To provide post-graduate studies and research opportunities in all fields of knowledge, especially in educational technology, distance education and development communication.

**School of Continuing Education:**  
The School of Continuing Education has been established to offer continuing education programs to the learners, particularly belonging to the disadvantaged classes residing in distant areas, through flexible mode of learning. The strength of the school lies in the variety of the content of the programs, which can be offered by the school.

**Scope and Objectives of the Programme:**  
Water is the most essential factor for existence of life. It plays a vital role in the socio-economic growth of any region. The rapid advances in the field of science and technology have resulted in the rapid growth of industries leading to modernization. Though our country is blessed with large amount of water resources, modernization, lack of proper management and increase in population have lead to water crisis. In order to overcome the water crisis, proper management of water resources, finding newer technologies for water conservation, rain water harvesting, creating awareness among public etc. have become the need of the hour. Keeping the above view in mind this workshop is being arranged so that it will create an action oriented awareness amongst teachers, students, consultants, government and non government organization and industry representatives, local peoples etc who built the society.

**Topics to be covered are:**

- > Water Conservation
- > Water audit
- > Micro and Macro Watersheds
- > Artificial Recharge: Rain water Harvesting
- > Resource Depletion and its Hazards
- > Water Quality and Environmental aspects
- > Social, Economic and legal aspects in watershed Developments.

**Inauguration Function:**  
**Guest of Honour:** Prof. Nitin Karmalkar Vice  
Chancellor, Savitribai Phule Pune university, Pune

**Chief Guest:** Dr. N.J. Pawar  
(Former Vice Chancellor, Savitribai Phule Pune University, Kolhapur)

**President:** Prof. E. Vayunandan, Vice Chancellor,  
Yashwantrao Chavan Maharashtra Open University, Nashik.

**Keynote Speakers**

- Dr. Uday Patankar  
(G.S.D.A. Maharashtra Govt.)
- Prof. Mohan Patil  
(Professor, Bharati University, Pune)
- Prof. Dr. Satish Thigale  
(Former HOD Geology Dept. Pune University, Pune)

**Who can participate?**  
Faculty of all colleges of the university, Teachers, Research students, Government Departments, NGOs, consultants and representatives from industries, R & D Organizations and participation from rural water supply committee members of different villages are most welcome.
