Chapter No.	Content	Page No.
1	INTRODUCTION	1
1.1	Purposes of Programme Evaluation	1
1.2	Alternative Approaches to Programme Evaluation	2
1.3	Course structure of the B.Ed. Programme of the YCMOU	5
1.4	Systemic Analysis of B.Ed Programme	9
1.5	Need of this Study	10
1.6	Problem of the study	10
1.7	Objectives of this Study	10
1.8	Research issues faced during Study	11
1.9	Adopted Research Methodology	11
1.10	Scope and Limitations of the study	12
1.11	Research outline	12
1.12	Research Report Chapters	13
2	OPINIONNAIRE DEVELOPMENT, DATA COLLECTION & ANALYSIS	14
2.1	Opinionative Development Procedure	15
2.2	Quality Assessment Visit Rating Scale	16
2.3	Scheduled for Discussion with Center head and Coordinator	16
2.4	Discussion Points at Workshops	16
2.5	Data Collection for Economic Evaluation	17
2.6	Data collection and Tabulation	17
2.7	Economic related data tabulation	18
2.8	Study center visits related data tabulation	18
2.9	Discussion point in four workshops and Discussed at study center related data tabulation	18
2.10	Opinion on Five point scale	24
3	DATA INTERPRETATION	29
3.1	Personal Information	29
3.2	Economic analysis	29
3.3	Quality assessment visit rating scale analysis	33
3.4	Learner opinion on a five point Scale analysis	40
3.5	Learner and counselors feedback on the basis of questionnaire/opinionnaire	65
3.6	Analysed discussion data at four workshops and at Study centres	97
4	MAJOR FINDINGS OF THIS STUDY	101
4.1	Economic evaluation of B.Ed. related findings	101
4.2	Findings related to Quality assessment visit of Study Centre	102
4.3	Findings related to Input, Process and Output stages	105
4.3.1	Findings related Input stage	105

4.3.2	Findings related Process stage	114
4.3.3	Findings related Output stage	120
4.3.4	Findings related other issues	124
4.4	Findings related client satisfaction	128
5	RECOMMENDATIONS	130
5.1	Acceptable Recommendations.	130
5.1.1	Recommendation related to Economic	130
5.1.2	Recommendation related to Study Centre	130
5.1.3	Recommendation related to Input stage	131
5.1.4	Recommendation related to Process stage	135
5.1.5	Recommendation related to Output stage	138
5.1.6	Recommendation related to other issues	140
5.1.7	Recommendation for expectation	140
5.1.8	Recommendation related to Client satisfaction	141
5.2	Unacceptable Recommendations.	143
5.3	Recommendations for Further Researches.	144
6.	SUMMARY OF THE STUDY	145
6.1	Problem of the study	145
6.2	Objectives of Study	145
6.3	Research issues faced during study	146
6.4	Adopted Research Methodology	146
6.5	Scope and limitation of the study	147
6.6	Research outline:	147
6.7	Major Findings of the study	148
6.8	Acceptable Recommendations	172
6.9	Unacceptable recommendations	185
6.10	Recommendation for further research	186
7.	BIBLIOGRAPHY	187
8.	APPENDIXES	189
8.1	Annex-1- Questionnaire/Opinionnaire	189
8.2	Annex-2- Quality assessment visit scale	223
8.3	Annex-3- Discussion points for Study Centre	226
8.4	Annex-4- Workshop points	227

CHAPTER SIX

SUMMARY OF THE STUDY

There is quality and excellence in developmental and implementation process. We what is situation in implementation process and what is Client satisfaction about B.Ed. programme. This question answer may be got the Evaluation of B.Ed. Programme. Role of counselor is at the Study Center with reference to students learning and evaluation process. Other administrator gets noting of students relating attendance, practical submission and other activity. Programme structure development, Aims and objectives of programme, learner's psychological and sociological perspective level, learning objectives, Study Material Development, Admission criteria and process of Admission, Self Instruction Material, Allied text books, Manual and Guidelines document and other formats, role and responsibility of Study Center as well as Counselor, students relation with Stack Holders, Counseling Session, Practical activity with Counselor, formative assessment work, Summative Evaluation Process, Exam time table, activity during examination, test development involvement, Assessment of Answer sheet, result processing and certification to the students, these are activities related to the students. It has completed fully as per University rules and guidelines. Student's satisfaction, Counselor's query or problem or deficiencies or question while implementation the B.Ed. Programme. Have any lacunas in programme structure, have Self instruction material with present era, what is per students cost and is it reliable for offering the programme. These are more questions for evaluate the B.Ed. programme. The study has related to Economic Evaluation, Process Evaluation and Client satisfaction Evaluation.

6.1 Problem of the study

To Evaluate the B.Ed. programme of YCMOU

6.2. Objectives of Study

Objectives of this Study were order to make an in-depth of B.ED. Programme. The following objectives were framed as this research project.

- 3.1 To search the information of B.Ed. programme structure and implementation process.
- 3.2 To find out the economic utility of B.Ed. programme of YCMOU.
- 3.3 To assess the study center's services, quality and facility.
- 3.4 To find out the quality in Input, Process and Output B.Ed. programme.
- 3.5 To find out the Client Satisfaction of B.Ed. Programme.
- 3.6 To suggest the recommendations for of B.Ed. programme.
