Webinar & online Job Fair**

Respected Sir,

Yuvashakti Foundation (YSF) registered as a Third-Party Aggregator (TPA) under National Skill Development Council (NSDC) & Directorate General of Training (DGT), we coordinate National Apprenticeship Scheme (NAPS) Scheme activities between NSDC / DGT, Industries & potential candidates. We are facilitating deployment of candidates for apprenticeship across India.

Apprenticeship is yet to get accepted by the Indian youth as the best way to learn, earn and grow. Young Indians are not familiar with the apprenticeship system; it is an effective way for young adults from rural and sub-urban populations to transit from school to work-life while improving links between industry and training institutions. Candidates do not have proper guidance for establishing a stable career, in the same lines as offered to students from mainstream academics or from corporations who employ graduate employees. Besides, due to digitalization and technological boom in the modernized world, apprenticeship had taken a backseat. However, things are quickly changing as improved reforms are brought in by the government to re-popularize apprenticeship as a means to a career and an entryway to job markets of all sizes.

Under Optional Trade apprenticeship min 5th Pass to PG (any stream) candidates can be deployed in manufacturing as well as services sector establishments.

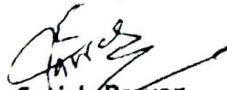

In this regards we want to conduct Awareness Webinar for our University all courses pursuing or pass out candidates.

For this awareness session we will collect data of interested candidates through google form & after awareness webinar we will coordinate with interested candidates for apprenticeship Training. We will conduct this through ZOOM, after your confirmation we will share zoom link.

We may conduct this webinar region wise too.

Looking forward your support & guidance.
