

**SUBJECT:** Initiatives for creating an ecosystem for Innovation by establishing Innovation

## **YASH DOME**

In YCMOU bamboo dome construction was done, mechanical properties of bamboo, bamboo reinforced concrete for structural members, and finite element analysis of bamboo reinforced structures from 2010. Spread sheet solutions were developed for BRC design of structural members using working stress and limit state method.

**YASHWANTRAO CHAVAN MUSEUM, Yashwantrao Chavan Maharashtra Open University Nashik.**
