

MKCL's (ERA)Online Examination Software Installation & User Guide

For use by Yashwantrao Chavan Maharashtra Open University (YCMOU)

Hardware and Software prerequisites for the installation of MKCL's ERA

- Server Machine
- Licensed Windows Server 2003 Operating System
- Service Pack 2
- Windows Installer Version 4.5
- Internet Explorer version 7.0 or later
- IIS v6
- OS to be installed on default C drive
- Hardware
 - Processor: Core 2 Duo or above
 - Recommended: 2.0 GHz or faster
 - RAM
 - Recommended: 4 GB
 - Minimum HDD free space on C drive
 - 15 GB

Hardware and Software prerequisites for the installation of MKCL's ERA

- <u>Client Machine</u>
- Licensed Windows XP/Windows 7 Operating System
- Service Pack 3 (XP) / Service Pack 1 (W7)
- Windows Installer Version 4.5
- Internet Explorer version 7.0 or later
- Hardware
 - Processor: Core 2 Duo/Dual Core/P4
 - Recommended: 2.0 GHz or faster
 - RAM
 - Minimum: 1 GB
 - Recommended: 2 GB
 - Minimum HDD free space on C drive
 - 5 GB

Hardware and Software prerequisites for the installation of MKCL's ERA

- <u>Other most important requirements at the exam</u> <u>center:</u>
- Separate Internet Connectivity on the server machine. No proxy server.
- Licensed copy of Antivirus on Server and all client machines
- UPS at least on Server Machine (Recommended for all server and client machines)
- 100Mbps LAN connectivity between Server and client machines

This Presentation consists of 4 Phases:

Phase 1 begins : Download the Software

*

Please ensure that you have installed Winrar Software. It is freely available on the internet.

Maharashtra Knowledge Corporation Ltd. Creating a Knowledge Lit World

Enter the URL : <u>http://fileserver.mkcl.org/erainstaller/</u> <u>YCMOU_Exam_Final.rar</u> in the internet explorer to download the YCMOU Exam Demo Software (MKCL's ERA)

Phase II Begins

Installation of downloaded software

MSDE	
Please read the following license agreement. Press the page down key to see the rest of the agreement.

f you choose Don't Accept, install will clean accept his agreement.	
Accept Don't Accept	

Please go through the recommended setting and click on next

NET-ERA2 is being installed.

Please wait... Installation may take several minutes. This is because physical files are getting copied to your machine. Installation may take around 15 mins, and please wait till the entire installation is over.

Cancel

< Back

Nexto

Please wait.... NET – ERA is being installed

Congratulations! You have successfully completed the installation of MKCL's NET-ERA2 You can use the shortcuts present on your desktop to login to: -

- Learning Facilitator (Admin) login.
- Learner Login.
- Data Traveler Utility.

Click 'Close' to exit.

Please insert the Course CD/ DVD's to load the courses in NET-ERA2.

Click on close

End of Phase II: Installation

Beginning of Phase III : Activation

Examination Software (ERA) Activation

Please note that separate internet connectivity is required for this process (No Proxy Server)

Download FunZone		Description	Steps to follow
Download ePortfolio Ac	tivities g eContent	This utility will download the new Learning eContent from the Central ERA Server. Once these additional Learning units are downloaded, this will be available in the Learning Section in Learner login for viewing.	 Make sure that you are connected to Internet Enter your Center Password (Password used for accessing
			3. Download the new Learning Units
	Download New Assessment Materials	 This utility helps you to download the various assessment materials such as: Additional Questions in Question Bank New Objective Tests New Assignments for solving 	 Make sure that you are connected to Internet Enter your Center Password (Password used for accessing SOLAR login) Download the new Assessment Materials
	Upload Solved Assignment	You can use this section to upload the solved assignments of the Learners.	 Select the Course Select the Assignment Upload the assignments
	Backup	You can take the Backup of the Learner Details along with their Learning and Assessment records. It is recommended to take the backup periodically so that you can use the same to retrieve your precious data in case of machine crash or other system malfunction.	 Enter your Center Code Select the location to store your backup file Give proper name to the backup file
	Restore	This utility can be used to restore the data which you have already taken in Backup file. You have to use this utility only on emergency and also with utmost care as you will be losing all the data after the previous Backup point.	 Enter your Center Code Select the proper backup file Restore the file.

Download New Learning eContent

Instructions

• This utility will download the new Learning eContent from the Central ERA Server.

Once these additional Learning units are downloaded, this will be available in the Learning Section in Learner login for viewing.

- Steps To Follow
- 1. Make sure that you are connected to Internet
- 2. Enter your Center Password (Password used for accessing SOLAR login)
- 3. Download the new Learning Units

Download New Learning eContent

Instructions

- 1. Please select course from first grid to import new content available.
- 2. Please select course from second grid to import new course with content available.
- 3. Please click on Import button.
- 4. Please wait while transaction is in progress.

New updates are available for following course(s)

Select the course "Testing" and click on Import button

Instructions

- Please select course from first grid to import new content available.
 Please select course from second grid to import new course with content available.
- 3. Please click on Import button.
- 4. Please wait while transaction is in progress.

New updates are available for following course(s)

Congratulations!!! You have successfully updated the course parameters.

Import

Congratulations!!! You have successfully updated the course parameters.

- Additional Questions in Question Bank
- New Objective Tests.
- New Assignments for solving.
- Steps To Follow
- 1. Make sure that you are connected to Internet
- 2. Enter your Center Password (Password used for accessing SOLAR login)
- 3. Download the new Assessment Materials

Instructions

- Please select course from first grid to import new assignment available.
 Please select course from second grid to import new exam available.
 Please click on Import button.
 Please wait while transaction is in progress.

New Exam(s) available to import
