Subject: Report on Personal Hygiene Seminar by Dr. Pratibha Aundhkar

Introduction:

The seminars on personal hygiene were organized by Center for Collaboration and Special Initiatives on dated 14th July 2021 at Krushi Vidyan Kendra, Yashwantrao Chavan Maharashtra Open University. The main purpose of this seminar was to create awareness of hygiene, personal cleanliness and care during menstruation. Dr. Pratibha Aundhkar took an excellent session on the misunderstandings and the superstitions about the menstruation.

About 50-60 women were present in this session. This session was beneficial for all women who work on **daily wedges, Housekeepers, Security Guard, farm and garden labourers** in university campus and provided the good knowledge of the cleanliness.

Participants for Activity: 50-60 women were present.
