In addition to the core activities and initiatives, the Centre for Internal Quality Assurance (CIQA) organized and facilitated several academic and professional development programs aimed at enhancing quality standards and promoting innovation in teaching, learning, and assessment processes. The details are as follows:

1. **Internal Meeting with CIQA Committee Members (28th August 2024)**
An internal meeting was conducted with the CIQA committee members to review ongoing quality assurance initiatives and discuss strategies for effective implementation of academic reforms, faculty development, and monitoring mechanisms in line with NEP-2020 and UGC guidelines.
2. **One Week National Faculty Development Program (FDP) on Curriculum Development, Pedagogy & Assessment (13th – 18th January 2025)**
A comprehensive national-level FDP was organized to empower faculty members with modern pedagogical techniques, curriculum design principles, and innovative assessment strategies to ensure outcome-based education and enhance teaching-learning practices in Open and Distance Learning (ODL) mode.
3. **One-Day Workshop on ‘Prashnanirmiti va Adhyayanache Mulyanirdharan’ (23rd May 2025)**
This workshop, organized by the Evaluation Division at Yashwantrao Chavan Maharashtra Open University, focused on question paper setting and evaluation methodologies. The aim was to strengthen the examination system by ensuring fairness, reliability, and alignment with learning outcomes.
4. **Two-Day National Workshop on Research Paper Writing (26th – 27th November 2024)**
CIQA conducted a two-day national workshop to build research and publication skills among faculty and researchers. The sessions emphasized research ethics, manuscript preparation, data interpretation, and strategies for publishing in high-impact journals.
5. **One-Day Workshop on SPSS (20th December 2024)**
A hands-on training session on Statistical Package for Social Sciences (SPSS) was organized to develop analytical skills among faculty and research scholars. The workshop covered data entry, descriptive statistics, hypothesis testing, and interpretation of results.
6. **AI for Academic and Administrative Excellence Training (22nd May 2025)**
A specialized training program was conducted to introduce artificial intelligence (AI) applications in academic and administrative processes. The focus was on leveraging AI for improving efficiency, decision-making, and digital transformation in higher education institutions.
