

CURRICULUM VITAE

Name: Madhav Vasant Palshikar

Designation: Associate Professor

Mobile: 9403774523

E-mail: palshikar_mv@ycmou.digitaluniversity.ac

Profile:

I joined YCMOU in 1989 immediately after completing MCA. It was just the beginning of YCMOU and I was lucky to get involved and contribute in initial development of the YCMOU. It gave opportunity to explore many ideas at that stage.

I was involved in computerization process of various activities, training, and also in development of short term certificate and diploma programmes to impart skills in using computer as tool in many activities in different field. Implementation of these programmes, identifying Study Centres for these programmes was challenge at that time.

In last 30 years, apart from computer programme development and its implementation I could contribute to the university by getting involved in various committees, group activities, and shouldering additional responsibility of Regional Director for Mumbai and Nashik for 3-6 months.

I also got opportunity to work in Centre for Collaboration and Special Initiative for six months and could get involved in development and implementation of programmes of other discipline for special groups in the society like Maharashtra Police, Army, Cancer patient.

I headed the School of computer Science as In-charge Director for 3 years.

Last five years got opportunity to be part of the experiment of introducing work based degree programmes in collaboration with MKCL.

Though I participated in few seminars, conferences and workshops, doing research, publishing/presenting papers was the area where I am least interested. And hence I haven't done any formal research work, written/presented hardly 2-3 papers.

I enjoy in interacting with learners, Study Centres, discussing with experts and understand the issues and find solutions for their problems, getting clarity in my ideas on various issues/topics.

In the process, with the support of Study Centres and university authorities, I could experiment various ideas, conduct various activities to enhance the learning of the learners.

Education:

Master of Computer Applications	University: Savitribai Phule Pune University Discipline: Computer Applications Year of Passing: 1989
Bachelor of Science (Statistics)	University: Savitribai Phule Pune University Year of Passing 1986

Work Experience:

Position held	Name of the Organization or Institution	Duration			Responsibilities Performed
		From	To	Years	
Assistant Professor, School of Computer Science	YCMOU, Nashik	1989	2007	18 years	Participation in policy making, Design, development and implementation of certificate and diploma programmes, Computerization and Training and supporting many activities in different areas in YCMOU
Associate Professor, School of Computer Science	YCMOU, Nashik	2007	2013	6 years	Policy Making, Academic administration of the programmes, Supporting Implementation of the programmes, Supporting Evaluation and Examination. Written Books for YCMOU, units; Edited books for YCMOU
Associate Processor, Centre for Collaboration and Special Initiative	YCMOU	2013	2015	2 years	Development and Implementation of certificate, diploma and degree programmes, Implementation of programmes for Maharashtra Police, Organizing web radio lectures
Associate Professor, School of Computer Science	YCMOU	2015	Till date		Policy Making, Academic administration of the programmes, Supporting Implementation of the programmes, Supporting Evaluation and Examination. Revision of the degree programmes to CBCS pattern, Editing books for YCMOU Developing and Implementing Work based degree programme in collaboration with MKCL, Managing activities at Work Lab in YCMOU for work based degree programmes
