

## CURRICULUM VITAE

**Name: Dr. Bharat Pralhad More**  
**Designation: Academic Coordinator**  
**Mobile: 9175456300**  
**E-mail: bhrtmre@gmail.com**

### Education:

|                           |  |
|---------------------------|--|
| Doctor of Philosophy      | University of Pune<br>Discipline: CHEMISTRY<br>Year of Passing Dec2017<br>ResearchTopic: Synthesis of Organic Chemistry                          |
| Master of Philosophy      | University: Ycmou Nashik<br>Disciplin Environment Science<br>Year of Passing may 2014<br>Research Topic:Evaluation of Biological Activity in EVS |
| Master of M.Sc            | University of Pune<br>Discipline :Chemistry<br>Year of Passing june 1992<br>Research/Dissertation Topic: Physio chemical Methodes.               |
| Bachelor of B.Sc and B.Ed | University of Pune<br>Year of Passing may 1989 and june 1995   |
| Master of M.Ed            | University of Pune<br>Year of Passing may 2004 NET   |

### Work Experience:

| Position held       | Name of the Organization / Institution | Duration |    |       | Responsibilities Performed |
|---------------------|--|----------|----|-------|----------------------------|
|                     |  | From     | To | Years |                            |
| Academic Coordinate | YCMOU Nashik                           | 13 jan   |    |       | Academic work              |
|                     |  |          |    |       |                            |
|                     |  |          |    |       |                            |
|                     |  |          |    |       |                            |
|                     |  |          |    |       |                            |

### Publications:

| Sr. No. | Title of the Research Paper   | Name of the Journal / Publisher | Year of Publication |
|---------|---|---------------------------------|---------------------|
| 1       | Synthesis of some Novel Heterocyclic compound                                     | Research journal of Chemistry   | 2015                |
| 2       | Synthesis and Characterization of some New Chlorosubstituted                      | Research journal of Chemistry   | 2015                |
| 3       | Phytochemical and Physicochemical screening of plant by using different Solvents. | Research journal of Chemistry   | 2016                |
|         |   |                                 |                     |
|         |   |                                 |                     |

**Official Address:**

School of Science and Technology  
Yashwantrao Chavan Maharashtra Open University,  
Nashik – 422 222. Maharashtra, India
