

## Extension activities: Frontline Demonstration on Chickpea

Left : Group discussion among the farmers in village, Bahadurwadi Tal. Chandwad  
Right : Critical inputs seed of Digvijay at Bahadurwadi Tal. Chandwad

Left : Training on chickpea production technology in village, Bahadurwadi Tal. Chandwad  
Right : *Metarhizium anisopliae* & *Trichoderma* for IPM in village Bahadurwadi Tal. Chandwad

## Cluster Frontline Demonstration on Chickpea

**Left** : Method demonstration of seed treatment in village Bahadurwadi Tal. Chandwad

**Right** : Flowering stage of chickpea demonstrated plot in village, Bahadurwadi Tal. Chandwad

**Left** : Monitoring CFLD plots of chickpea by scientists in village, Bahadurwadi T. Chandwad

**Right** : Harvesting stage of chickpea demonstrated plot in village, Bahadurwadi

## Cluster Frontline Demonstration on Chickpea

Soil Health Card of CFLD plots of chickpea distribution by scientists  
in village, Bahadurwadi T. Chandwad

Neem based insecticides for controlling *Helicoverpa* sp. for chickpea CFLD plots  
by scientists in village, Bahadurwadi T. Chandwad

## Cluster Frontline Demonstration on Chickpea

MPKV Krushi Darshani Agriculture informative literature for upscaling knowledge of Chickpea Growers under CFLD in village, Bahadurwadi Tal. Chandwad

Celebration of field day of chickpea CFLD in village, Bahadurwadi Tal. Chandwad

## Cluster Frontline Demonstration on Soybean

**Critical inputs Seed and literature distribution of to soybean growers  
for CFLD in village Moh, Tal. Sinnar**

**Left : On campus Training of Soybean Production Technology conducted for soya growers  
Right : Training of Soybean Production Technology for Extension functionaries at RAMETI**

## Cluster Frontline Demonstration on Soybean

**Left** : Germination stage of Soybean demonstrated plot in village, Moh Tal. Sinnar  
**Right** : Branching stage of Soybean demonstrated plot in village, Moh Tal. Sinnar

**Left** : Pod filling stage of Soybean demonstrated plot in village, Moh Tal. Sinnar  
**Right** : Pod development stage of Soybean demonstrated plot in village, Moh Tal. Sinnar

## Cluster Frontline Demonstration on Soybean

**Left : Monitoring CFLD plots of Soybean by the scientists at Moh Tal. Sinnar**  
**Right : Monitoring CFLD plots of Soybean by the scientists at Moh Tal. Sinnar**

**Left : Soil health card under CFLD in village, Moh Tal. Sinnar**  
**Right : Guiding about herbicide application for CFLD soybean plot in village, Moh Tal. Sinnar**

## Cluster Frontline Demonstration on Soybean

Distribution of literature Agriculture Diary to soybean growers in village Moh, Tal. Sinnar

Celebration of field day of Soybean MACS-1188 varietal CFLD in village, Moh Tal. Sinnar

## Frontline Demonstration on Paddy Four Fold Technology

**Left** : Group discussion and selection of participants for demo of FFT paddy at Jategaon  
**Right** : Training on four fold technology of paddy at Jategaon, Tal. Trymbakeshwar

**Left** : Monitoring FLD plots of Paddy FFT by the scientists at Jategaon, Tal. Trymbakeshwar  
**Right** : Monitoring FLD plots of Paddy FFT by the scientists at Jategaon, Tal. Trymbakeshwar

## Frontline Demonstration on Paddy Four Fold Technology

**Left** : Flowering stage FFT demonstrated paddy plot in village Jategaon, Tal. Trymbakeshwar  
**Right** : Milk stage FFT demonstrated paddy plot in village Jategaon, Tal. Trymbakeshwar

Field day celebration on Paddy FFT at Jategaon, Tal. Trambakeswar

## On Farm Testing on Soybean variety Phule Sangam

**Left** : Monitoring OFT Soybean plots of Phule Sangam by the scientists at Moh, Tal. Sinnar  
**Right** : Flowering and pod development stage of OFT Soybean at Moh, Tal. Sinnar

Celebration of field day on Soybean OFT variety Phule Sangam at Moh, Tal. Sinnar

## On Farm Testing on Paddy variety Phule Samruddhi

**Left** : Training programme conducted on OFT Paddy var. Phule Samruddhi at Chirapali  
**Right** : Monitoring OFT Paddy plots by the scientists at Chirapali, Tal. Trymbakeshwar

Celebration of field day on Paddy OFT var. Phule Samruddhi at Chirapali, Tal. Trymbakeshwar

## Frontline Demonstration

**Left : FLD Garlic Vr. Phule Nileema at Village Chakore Tal- Traymbakeshawar**

**Right :FLD Garlic Vr. Phule Nileema seed distribution at Village Chakore Tal- Traymbakeshawar**

**Left : FLD Potato Var. Kufri Joyti Planting at village Sanasari tal- Sinnar**

**Right : FLD Potato Var. Kufri Joyti Field day at Village Ghoti Khurd Tal- Igatpuri**

## Frontline Demonstration

Left : FLD Onion Var. NHRDF Red-3 Seed distribution at Village Jategaon - Traymbakeshawar  
Right : FLD Onion Var. NHRDF Red-3 Field Day at Village Jategaon Tal - Traymbakeshawar

Left :OFT On Elephan Yam (Suran) Field Day at Village Chakore Tal- Traymbakeshawar  
Right :OFT On Elephan Yam (Suran) at Village Chakore Tal- Traymbakeshawar

## Frontline Demonstration

**Left : Exposure visit High Density Mango Plantation Under TSP Village Chitapalli**  
**Right :Exposure visit of Rural Youths to protected cultivation of Roses at Village Mohadi**

**Left : Training on Dry land Fruit Plantation Under TSP to tribal Farmers of Surgana**  
**Right :Tribal women farmers Visit to KVK Farm**

## Vocational Training

**Left : On Campus Training on Fruit & Vegetable Processing for RY**

**Right : Exposure Visit during On Campus Training on Nursery Management for RY**

**Left : RY Training on Nursery Management Participants**

**Right : Training on Nursery Worker under ASCI participants**

## Farmers Training

Left : Farmers Training on Opportunities in Fruit & Vegetable Processing  
Right :RY Training on Nursery Management Grafting Method Demonstration

Left :Tribal farmers Training on increasing Productivity  
Right :Workshop on Protected cultivation of Horticultural Crops

## Awards

Left : Award Winning Farmer Mr. Bhausahab Jadhav for vegetable Nursery  
Right : Award Winning Farmer Mr. Ganesh Misal for Milk Processing

Left :Received award of Best women Farmers Mrs.Vimal Achari  
Right :Received award of Best Farmers group village Sarul

## Study Tours

Left : Study Tour Women Self Help Group to KVK Kosbad

Right : Study Tour Women Self Help Group to Mahila Saras Exhibition at Mumbai

Left : Study Tour of training participants under ASCI

Right : Study Tour of Paddy Farmers at Regional Rice Research Center Karjat

OFT on mini paddy thresher for small and marginal farmers at village chirapali Tal. Trimbakeshwar

Right : Alternative use of mini thresher for finger millets in tribal area for marginal & small farmers at village chirapali Tal. Trimbakeshwar

Left: Traditional drudgerious manual beating method of thrashing of finger millet

Left : Demonstration Custom hiring services Farmers club member vertical conveyor reaper in the cluster villages, Chirapailli Tal trimbakeshwar  
 Right: Demonstration of groundnut stripper and community use for marginal & small farmers at village jategaon, Tal. Trimbakeshwar

FLD on Multicrop planter for wheat & proposed for employment generation through custom hiring services for marginal & small farmers at village chirapali Tal. Trimbakeshwar

**Left : Introduction of Improved desi breed of Poultry Giriraja in tribal village**  
**Right : Distribution of Giriraja birds in Front line demonstration program for tribals**

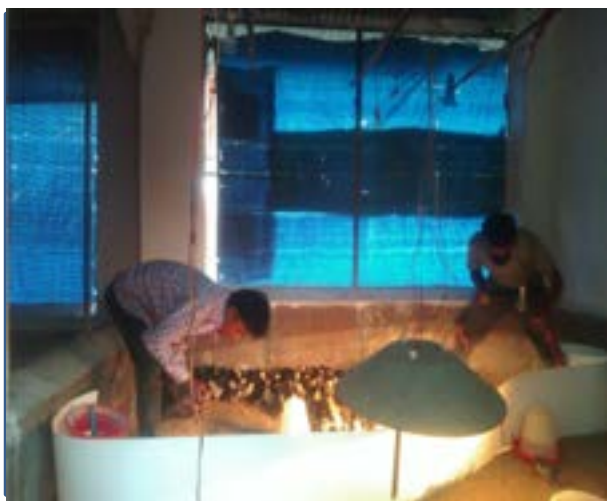

**Left : Introduction of pure Osmanabadi goats in tribal village**  
**Right : Training of Tribal farmers for Goat rearing**

**Left : Vaccination to animals for FMD disease in tribal areas**

**Right : Vaccination to animals for Black Quarter disease in tribal areas**

**Left : Maintenance of chicks for demonstrations at KVK experimental farm**

**Right : Cleaning movement at farmers doorstep**

Left : Training of SHGs for poultry rearing at KVK experimental farm  
Right : Rural youths study tour at commercial goat farms

Left : On campus SHG training Program for increasing income potential through A.H.  
Right : Training for Extension functionaries

## Frontline Demonstration

**Left** : Demonstration of Mitten for FLD in village, Jatigaon, Tal. Trymbakeshwar

**Right** : Method demonstration of mitten for vegetable growers in Jatigaon, Tal. Trymbakeshwar

**Left** : Demonstration of weaning food for FLD in village, Jatigaon, Tal. Trymbakeshwar

**Right** : Demonstration of super grain bags for FLD in village Jatigaon, Tal. Trymbakeshwar

## Trainings

**Left : Training with demonstration conducted on Mushroom cultivation for Rural Youth**  
**Right : Training conducted on Vermicompost for farm women**

**Left : Training conducted on seasonal local fruit Karoanda processing for farm women**  
**Right : Training conducted on Candle making for Self Help Group women**

## Exhibition

Left : Self Help Group display of product on exhibition organised at Nashik

Right : Self Help Group display of product on exhibition organised at Mumbai

Left : Visit of scientist to Self Help Group stall at Nashik

Right : Participation of KVK in krushi Mahtosav in exhibition at Nasik

## STCR Frontline Demonstration on Finger Millet

**Left** : Collection of soil samples at Jategaon (Bk), Traymbakeshwar  
**Right** : Soil Health Card distribution at Jategaon (Bk), Traymbakeshwar

**Left** : STCR based fertilizer distribution at Jategaon (Bk), Traymbakeshwar  
**Right** : Monitoring STCR plot by Scientists at Jategaon (Bk), Traymbakeshwar

## STCR Frontline Demonstration on Finger Millet

**Left** : Field day celebration on STCR Finger Millet at Jategaon (Bk), Traymbakeshwar  
**Right** : Exposure visit of PF at ZARC, Igatpuri

**Left** : Training on INM Finger Millet at Jategaon (Bk), Traymbakeshwar  
**Right** : Training on Soil and Water testing for Rural Youth at KVK campus

## STCR Frontline Demonstration on Paddy

**Left : Collection of soil samples at Jategaon (Bk), Traymbakeshwar**  
**Right : Soil Health Card distribution at Jategaon (Bk), Traymbakeshwar**

**Left : STCR based fertilizer distribution at Jategaon (Bk), Traymbakeshwar**  
**Right : Monitoring STCR plot by Scientists at Jategaon (Bk), Traymbakeshwar**

## STCR Frontline Demonstration on Paddy

**Left** : Field day celebration on STCR Paddy at Jategaon (Bk), Traymbakeshwar  
**Right** : Exposure visit of PF at ARS, Wadgaon Maval, Pune

**Left** : Training on INM Paddy at Jategaon (Bk), Traymbakeshwar  
**Right** : Training on Soil and Water testing for Rural Youth at KVK campus

## STCR Frontline Demonstration on Onion

**Left** : Collection of soil samples at Jategaon (Bk), Traymbakeshwar  
**Right** : Soil Health Card distribution at Jategaon (Bk), Traymbakeshwar

**Left** : STCR based fertilizer distribution at Jategaon (Bk), Traymbakeshwar  
**Right** : Monitoring STCR plot by Scientists at Jategaon (Bk), Traymbakeshwar

## STCR Frontline Demonstration on Onion

**Left** : Field day celebration on STCR Onion at Jategaon (Bk), Traymbakeshwar  
**Right** : Exposure visit of PF at CRS, Onion, Rajgurunagar, Pune

**Left** : Training on INM Onion at Jategaon (Bk), Traymbakeshwar  
**Right** : Training on Soil and Water testing for Rural Youth at KVK campus

## World Soil day : 5<sup>th</sup> December 2018

World Soil day : Soil Health Card Distribution at Jategaon (Bk), Traymbakeshwar

World Soil day : Awareness training on Soil Health Management at Jategaon (Bk), Traymbakeshwar

## Technology Week

Left : Mrs. Rahibai Popere expressing about indigenous seed bank

Right : Mr. Vilas Shinde on successful FPC model: Sahyadri farm

Left : Kisan Din : Scope for services in agriculture

Right : Pradhan Mantri Kisan Samman Nidhi : MLA Mrs. Devayani Farande interaction with farmers

## Dignitaries Visited

Left : Dr.Lakhan Singh ,Director Visited to High-tech Vegetable nursery of Mr.Madhukar Gawali  
Right : visit to farmer producer company (FPC) at Niphad.

Left : Mr.Makrand Anaspure,NAAM Foundation KVK Activities Nashik  
Right : Mr.Nilesh Sagar RDC Nashik visited KVK Activities.

## Participation in Exhibition

Left : Training with demonstration conducted on Mushroom cultivation for Rural Youth  
Right : Training conducted on Vermicompost for farm women

Left : Training with demonstration conducted on Mushroom cultivation for Rural Youth  
Right : Training conducted on Vermicompost for farm women
