
❖ CURRICULUM VITAE

Name: Dr. Madhuri Shrikant Sonawane

Designation: Professor

Mobile: 9403774536

E-mail: madhurishrikant23@gmail.com

PROFILE:

Dr. Madhuri S. Sonawane is Professor in School of Agricultural Sciences, Yashwantrao Chavan Maharashtra Open University, Nashik from December, 2003 onwards. Currently, she is the Director, School of Agricultural Sciences, YCMOU, Nashik. She has received her doctoral degrees **Ph. D. (Agriculture in Horticulture – Fruit Science)** from Mahatma Phule Krishi Vidyapeeth, Rahuri and **Ph. D. (Subject Communication- Agriculture)** from YCMOU, Nashik. She has received her post graduate degrees **M. Sc. (Agriculture- Pomology)** from Mahatma Phule Krishi Vidyapeeth, Rahuri and **M. Sc. (Distance Education)** from YCMOU, Nashik. She has completed her **B. Sc. (Agriculture)** from Dr. B. S. Konkan Krishi Vidyapeeth, Dapoli. She has qualified the **NET examination in Horticulture** conducted by ICAR, New Delhi. She is a recipient of Middle School Scholarship (7th Standard), National Scholarship (S. S. C. Board), First position in Crop Science subject (H. S. C. Board), Third position in University (B. Sc. Agri.) and ASPEE Junior Fellowship Award (M. Sc. Agri.)

She started her career as a lecturer in School of Agricultural Sciences, YCMOU, Nashik since 1994, Junior Scientist (Horticulture) in Krishi Vigyan Kendra, YCMOU, Nashik during 1995 to 2003. Presently, she is a faculty in School of Agricultural Sciences since 2003 and she has over 27+ years of research and teaching experience. She also worked as a Director I/c of School of Agricultural Sciences in 2008. She is presently Programme Coordinator for M. Sc. in Agricultural Extension. Earlier she worked as a Programme Coordinator and Counsellor for Ph. D. and M. Sc. in Agricultural Extension, Agricultural Communication and Agricultural Development and organised around 55 Ph.D. and 15 M. Sc. Viva- voce examinations. She worked as a coordinator and councillor for various certificate, diploma and degree programmes offered by School of Agricultural Sciences.

Her main research interests are in the areas of Horticulture, Fruit Science, Agricultural Education in ODL mode and ICT in agriculture. She has 70+ publications in International Journals, proceedings of International / National conferences and Chapters in Books. She has received 95+

National/International citations for her research papers. She has successfully guided one Ph. D. research project, one M. Sc. research project and is presently guiding four Ph. D. research projects for their respective degrees. Her research h-index is 4 and i10 index is 3.

Her major contribution lies in programme design and development. She is widely engaged in programme design, programme development, instructional design, writing and editing of learning materials for various programmes in agricultural sciences. She has contributed as a writer for 38 ODL textbooks and as a content editor for 64 ODL textbooks in agricultural Sciences. She worked as an expert member of Programme Advisory Committee for various agricultural programmes. She has independently conducted around 415 counselling sessions of UG programmes and 30 counselling sessions of PGR programmes. She has also worked as a Director for Central Assessment Programme for UG, PG and Research programmes in agricultural Sciences.

She has developed the first MOOC in YCMOU, Nashik. A MOOC on “Commercial Fruit Production: Pomegranate and Guava” was offered in 7 runs to the students on SWAYAM platform, MHRD, Govt. of India during March 2019 to March 2022 which attracted 6200+ students in total and got rating of 4.6 out of 5 for the course. She has developed four video films on floriculture, uploaded on her YouTube channel with 2080+ subscribers.
