Profile:

After my Post Graduation in Zoology, I was aspiring for applied knowledge in Zoology. Which can empower farmer and tribal community? I could understand that bee farming has a potential to prosper ecology and upgrade livelihood of poor people. I received practical training in beekeeping from Suprakruti Madhushala (Nashik) and then I got a golden opportunity to work as apiary attendant at Krishi Vigyan Kendra YCMOU Nashik. During my work career I got opportunity to work as an academic coordinator in subject beekeeping. The Yashwantrao Chavan Maharashtra Open University launched an academic program and introduced Certificate Course in Beekeeping. This event nurtured my interest in Beekeeping.

Now, I am Coordinating with 28 Centres who have started Beekeeping Course. In future I look forward that Beekeeping development program and Honey Mission program of our Country dreams next 'Green and Sweet Revolution' and I think that I am part of it.
