Report on National Space Day Programme

School of Sciences celebrated National Space Day on 23 August 2024. The event aimed to promote interest in space science and education among students and the wider community. By leveraging digital platforms, the program reached to audience and provided an interactive and informative experience.

Objectives

- Educational Engagement:** To test and expand participants' knowledge of space science through a challenging online quiz.
- Public Awareness:** To raise awareness about space exploration and related topics.

Program Overview

The National Space Day online event was structured into two main components: an interactive online quiz and through YouTube live streaming. Feedback were collected using google forms, allowing for easy participation and data collection.

1. Online Space Quiz

- Platform:** MyGov Quiz. (<https://quiz.mygov.in/quiz/national-space-day-quiz/>)
- Description:** The quiz consisted of 10 multiple-choice questions covering various topics in space science, including astronomy, space missions, and recent technological advancements.

2. Online Event

- **Title & Platform:** National Space Day (NSpD) 2024 Event "Touching lives while touching the Moon-India's Space Saga" YouTube live streaming.
- **Link:** <https://www.youtube.com/live/60QgJDgrXFg?si=4x6jYckUBJWGsrp7>
- **Description:** Chandrayaan-3 mission accomplished safe and soft-landing of Vikram Lander on the lunar surface on 23 August 2023. With this, India became the fourth country to land on the moon and first to land near the southern polar region of the moon. The soft-landing was followed by successful deployment of Pragyan Rover. The landing site was named as 'Shiv Shakti' point (Station Shiv Shakti) and August 23 was declared as the "National Space Day". The event focused on economic & social impact of Indian space sector, Indian space sector key challenges, Space economy etc.

3. Responses of participants

- **Platform:** Google Forms
- **Description:** It is aimed to collect data of participant's active responses through submission of quiz certificates and Screenshots of attending event of "National Space Day" through YouTube live streaming.

Impact and Significance

- **Educational Value:** The online quiz provided an engaging way for participants to test and enhance their knowledge of space science.
- **Public Engagement:** The event successfully reached audience through digital platforms, demonstrating the effectiveness of online tools in promoting educational events.
- **Feedback Utilization:** Insights from the responses will inform future events, helping to tailor content to better meet participants' interests and enhance their learning experience.

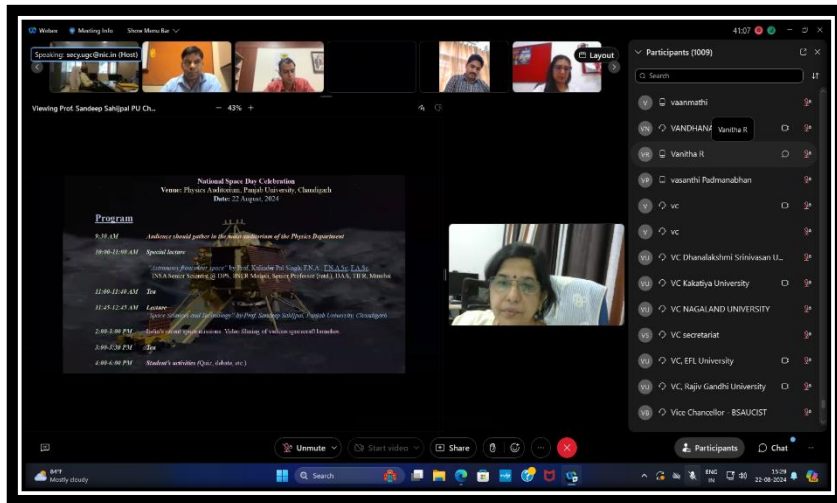

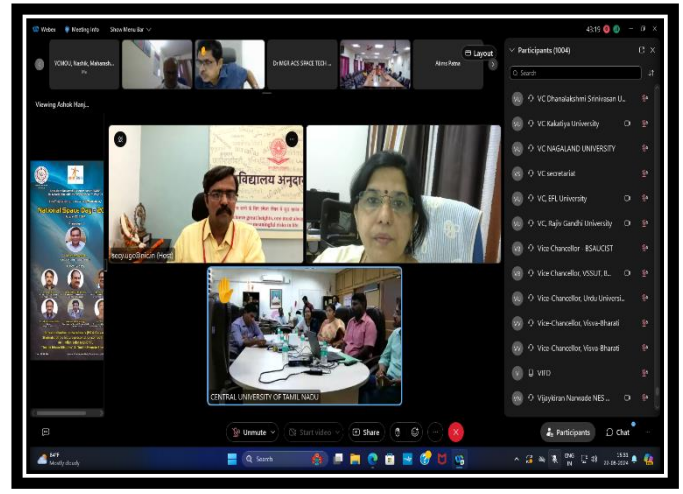

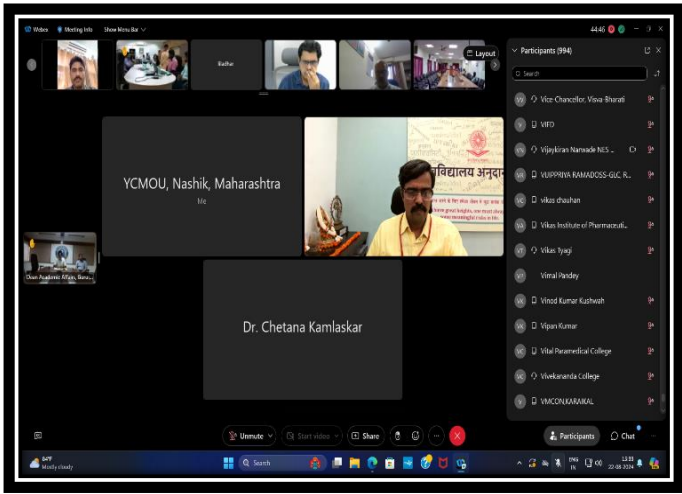

Conclusion

The National Space Day Programme conducted by School of Sciences was a successful and impactful event. By leveraging digital platforms, the program effectively engaged wide audience, provided educational value. The event highlighted the potential of online tools in fostering public interest in space science and education.

Appendices

1. **Appendix A:** Screenshots of attending online review meeting on National Space Day celebrations.
2. **Appendix B:** Response sheet screenshots of quiz certificates submitted by participants.
3. **Appendix C:** Response sheet screenshots of attending National Space Day event through online mode.
