Dear colleagues,

we are pleased to inform you that your submission to the OE4BW program has been accepted. There will be more than 80 projects developing within the program this year, and it is really good to see how interesting and relevant their ideas are. We thank you for your application and we wish you a lot of success with your project.

You will soon be contacted by one of the OE4BW Hub coordinators with more detailed information about the next steps and about the mentors suggested for you.

With our best wishes for 2020,
Anja, Tanja, Mitja and the whole OE4BW organisational team
