Admission with Late Fees of Rs. 100/-	16 July-2019-31 July 2019

1. About the School of Computer Science

The School of Computer Science is one of the eight schools of studies the University. Through its quality policy, the School aims to enhance and sustain excellence of its educational programmes. It has a vision to create computer literacy by taking computer education to the masses.

The School envisages to:

- Develop degree, postgraduate and research level computer programmes for creating professional manpower required by the IT industries.
- Develop need-based and job-oriented short-term computer programmes to meet the huge demand of IT skilled manpower in business and industry.
- Ensure relevance of programmes by updating the curriculum dynamically.
- Provide e-Learning support to its learners.
- Establish tie-ups with industries and other educational institutions to share experience and knowledge.
- Carry out research that will help in developing new methods, tools and techniques useful for computer education and applications.
- The School imparts computer education through its Authorized Study Centres.

2. Need for Programmes

Human society has passed through 'green revolution', 'industrial revolution' and 'information revolution'. Now it is entering into 'knowledge revolution'. Education in general and 'computer education' in particular is gaining utmost importance in today's knowledge society. Computer skills have become the life skills for everybody.

For high productivity and better quality, many business houses, Government departments and industries are making extensive use of computers. Extensive manpower is required to handle and operate these computers. Thus, there is pressing demand of computer professionals to work at various levels in Information Technology (IT) industries.

Highly skilled software professionals are required for nation building. They design and develop software products and systems. They are helpful in providing IT and IT-enabled services. They carry out overseas projects and earn huge amounts of foreign exchange for the country. They become entrepreneurs and establish IT industries, which provide employment for a large number of people.

BCA combine the intellectual challenge of a new discipline with the excitement of an innovative and rapidly expanding information technology. These programmes are intended for those learners who plan careers in computer science, in the fields that make use of computing and for those who plan postgraduate study in computer science.

BSc Industrial Science: Education is the driving force of economic and social growth of the nation. It is the need of the time to generate skilled manpower suitable for industrial and business sectors. In order to provide technical education to the youth to enable them to acquire competency required by the industry, the university has developed and launched degree and diploma programmes in Industrial Science. B.Sc. (Industrial Science) is not on offer this year since the approval is awaited from UGC. The learners who have already register can take further admissions.

3. Study Centre

The Study Centre is authorized to conduct computer programmes offered by the University. Depending on the infrastructure of the Study Centre, specific programmes are assigned to that Study Centre.

The Coordinator of the Study Centre shall look after all the activities of the Study Centre including the practical of the learners. The Study Centre perform the following important functions:

- Conduct the Courses as prescribed by the University.
- Make available the hard copy of the Prospectus to the prospective learner for reading purpose at reception.
- Forward necessary information to the University as and when required.
- Organize counseling sessions, practical sessions as per the planned time table prepared by the Study Centre and submitted to YCMOU at the beginning of the academic year.
- Facilitate delivery of instructional material on demand.
- Perform duties as an examination centre.
- Provide any other additional facilities for the learners' benefit.

Learners should carry out the entire computer practical at the Study Centre. The Coordinator/Instructor of the Study Centre will supervise the practical activities.

4. Programmes offered by the School of Computer Science

A. Computer Programmes:

Programme Code	Name of the programme	Duration	* Valid registration period
Certificate programmes			
D101	Computer Fundamentals	6 months	2 years
D102	Office Tools	6 months	2 years
D104	Computerized Financial Accounting	6 months	2 years
D105	Programming Expertise in C	6 months	2 years
D106	Data Structures using C	6 months	2 years
D107	OOPs and C++	6 months	2 years
D112	Visual Programming	6 months	2 years
D113	LINUX	6 months	2 years
D114	ORACLE	6 months	2 years
Degree Programme			
P131	Bachelor of Computer Applications (BCA)	3 years	5 years
Post Graduate Degree Programme			
P144	Master of Computer Applications (MCA)	3 years	6 years

B. Industrial Science Programmes:

Programme Code	Name of the programme	Duration	* Valid registration period
Diploma programmes			
P141	Diploma in Industrial Science	2 years	4 years
Degree Programmes			
P133	B. Sc. (Industrial Science)	3 years	5 years

* **Re-registration:** A learner who fails to complete the programme within the valid registration period will have to re-register for the programme.

5. Eligibility and Documents to be uploaded while applying

At present there is **no provision** in the University to admit international learners. The eligibility criteria are given below:

A. Computer Programmes

(I) Eligibility

Sr. No.	Programme code	Name of the programme	Year	Pre Qualification
1)	D101	Computer Fundamentals	-	18 years of age complete. Knowledge of Computers
2)	D102	Office Tools		
3)	D104	Computerized Financial Accounting		
4)	D105	Programming Expertise in C		
5)	D106	Data Structures using C		
6)	D113	LINUX		
7)	D107	OOPs and C++	-	18 years of age complete. Knowledge of C Programming
8)	D111	Programming Excellence through C#		
9)	D114	ORACLE		
10)	D112	Visual Programming	-	18 years of age complete. Knowledge of OOPs & C++
11)	P131	Bachelor of Computer Applications (BCA)	FY	<ul style="list-style-type: none"> • 12th standard of HSC Board of Maharashtra, or its equivalent [including MCVC] <li style="text-align: center;">OR • 3-year Diploma of Board of Technical Examination or equivalent <li style="text-align: center;">OR • 2-year ITI Programme of any trade after 10th standard <li style="text-align: center;">OR • 2-year course of Maharashtra State Board of Vocational Education after 10th <li style="text-align: center;">OR • YCMOU Preparatory
12)	P131	BCA	SY	FY BCA (P131) registered
13)	P131	BCA	TY	SY BCA (P131) registered
14)	P131	Direct admission to the Second Year of BCA Programme	SY	<ul style="list-style-type: none"> • Successfully completed the 3-year diploma in Computers/Information Technology from Government Technical Board after 10th <li style="text-align: center;">OR • Successfully completed the 1st Year of Computer Science/Information Technology/Computer Application degree programme (without ATKIT) from the recognized University after 12th with maths

(II) Documents to be uploaded while applying

Sr. No.	Programme code	Name of the programme	Documents (SELF ATTESTED TRUE COPIES) to be uploaded along with the Admission Form
15)	D101	Computer Fundamentals	Age Proof (Birth Certificate, driving license, Aadhar Card, PAN Card, Leaving Certificate etc)
16)	D102	Office Tools	
17)	D104	Computerized Financial Accounting	
18)	D105	Programming Expertise in C	
19)	D106	Data Structures using C	
20)	D113	LINUX	
21)	D107	OOPs and C++	
22)	D111	Programming Excellence through C#	
23)	D114	ORACLE	
24)	D112	Visual Programming	
25)	P131	Bachelor of Computer Applications (BCA)	1) Age Proof (Birth Certificate, driving license, Aadhar Card, PAN Card, Leaving Certificate) 2) Statement of Marks of Std 12 th OR 2) Statement of Marks of Std 10 th AND Statement of marks of all 3 years of Diploma OR 2) Statement of Marks of Std 10 th AND Statement of marks of all 2 years of ITI OR 2) Statement of Marks of Std 10 th AND Statement of marks of all 2 years of Maharashtra State Board of Vocational Education course OR 2) Statement of Marks of YCMOU Preparatory
26)	P131	BCA	Hall ticket of FY BCA.
27)	P131	BCA	Hall ticket of SY BCA.
28)	P131	Direct admission to the Second Year of BCA Programme	1) Age Proof (Birth Certificate, driving license, Aadhar Card, PAN Card, Leaving Certificate etc) 2) Statement of Marks of Std 12 th with Mathematics AND First Year Marksheet OR 2) Statement of Marks of Std 10 th AND Statement of marks of all 3 years of Diploma 3) The First Year Exemption Form (given in Appendix A).

B. Industrial Science Programmes

(I) Eligibility

Sr. No.	Programme code	Name of the programme	Year	Pre Qualification
1	P141	Diploma in Industrial Science	FY	10 th
2	P141	Diploma in Industrial Science	SY	FY Diploma (P141) registered
3	P133	B. Sc. (Industrial Science)	FY	<ul style="list-style-type: none"> • 12th standard of HSC Board of Maharashtra, or its equivalent [including MCVC] <li style="text-align: center;">OR • 3-year Diploma of Board of Technical Examination or equivalent <li style="text-align: center;">OR • 2-year ITI Programme of any trade after 10th <li style="text-align: center;">OR • 2-year course of Maharashtra State Board of Vocational Education after 10th. <li style="text-align: center;">OR • YCMOU Preparatory passed
4	P133	B. Sc. (Industrial Science)	SY	FY B.Sc.(I.S.) (P133) registered
5	P133	B. Sc. (Industrial Science)	TY	SY B.Sc.(I.S.) (P133) registered
6	P133	Direct admission to the Second Year of B. Sc. (Industrial Science) Programme	SY	<p>10+3 years or 12+2 years Diploma of MSBTE or equivalent.</p> <p>Note: The students who have passed 12th examination after taking the admission to the diploma in industrial science are NOT eligible to take direct admission to second year.</p>

(II) Documents to be uploaded while applying

Sr. No.	Programme code	Name of the programme	Year	Documents (SELF ATTESTED TRUE COPIES) to be uploaded along with the Admission Form
1	P141	Diploma in Industrial Science	FY	<ol style="list-style-type: none"> 1) Age Proof (Birth Certificate, driving license, Aadhar Card, PAN Card, Leaving Certificate) 2) Passing Certificate of Std X and Statement of Marks <p style="text-align: center;">OR</p> <ol style="list-style-type: none"> 2) Statement of Marks of YCMOU Preparatory
2	P141	Diploma in Industrial Science	SY	<ol style="list-style-type: none"> 1) Hall ticket of FY.

3	P133	B. Sc. (Industrial Science)	FY	1) Age Proof (Birth Certificate, driving license, Aadhar Card, PAN Card, Leaving Certificate) 2) Statement of Marks of Std 12 th OR 2) Statement of Marks of Std 10 th AND Statement of marks of all 3 years of Diploma OR 2) Statement of Marks of Std 10 th AND Statement of marks of all 2 years of ITI OR 2) Statement of Marks of Std 10 th AND Statement of marks of all 2 years of Maharashtra State Board of Vocational Education course OR 2) Statement of Marks of YCMOU Preparatory
4	P133	B. Sc. (Industrial Science)	SY	Hall ticket of FY B.Sc.(I.S.) (P133).
5	P133	B. Sc. (Industrial Science)	TY	Hall ticket of SY B.Sc.(I.S.) (P133).
6	P133	Direct admission to the Second Year of B. Sc. (Industrial Science) Programme	SY	1) Age Proof (Birth Certificate, driving license, Aadhar Card, PAN Card, Leaving Certificate etc) 3) Statement of Marks of Std 10 th AND Statement of marks of all 3 years of Diploma of MSBTE OR 3) Statement of Marks of Std 12 th AND Statement of Marks of all 3 years of Diploma of MSBTE 4) The First Year Exemption Form (as given in Appendix B).

6. Language of Instruction

The medium of instruction of all the programmes is English Language only. All the Printed Study Material of the programmes is in English. The medium of examination will be English. However, the Coordinator, Instructor or Counselor may use English /Marathi /Any other language to help the learners understand the subject well.

7. Educational Network for Programme Delivery

The University has its headquarters in Nashik. Keeping in line with its vision of taking education to every doorstep, the University takes care to provide its academic programmes to the learners located in different parts of Maharashtra State. For this the University has established 8 Regional Centres and the network of authorized Study Centres in Maharashtra.

The instructional package consists of the following components:

- Study material developed by experts using instructional technology.
- Good quality instructional text adopted from the market.
- Face-to-face contact sessions organized at the Study Centres.
- Practical Component handled at the Study Centres.
- Evaluation of learners at the examination centres.

8. Programme Structure: Computer Programmes

Certificate in Computer Fundamentals (2016 pattern) Code: D101

Course Code	Course Name	Theory/ Practical	Contact (HRS)	Credit Points	Assessment Type	Passing Marks
CMP519	Computer Fundamentals	Theory	60	4	CA(20) + EE(32/80)	40/100
CMP719	Lab: Computer Fundamentals	Practical	30	2	EE(20/50)	20/50
					Total	60/150

Certificate in Office Tools (2016 pattern)

Code: D102

Course Code	Course Name	Theory/ Practical	Contact (HRS)	Credit Points	Assessment Type	Passing Marks
CMP527	Office Tools	Theory	60	4	CA(20) + EE(32/80)	40/100
CMP727	Lab: Office Tools	Practical	30	2	EE(20/50)	20/50
					Total	60/150

Certificate in Computerized Financial Accounting (2016 pattern)

Code: D104

Course Code	Course Name	Theory/ Practical	Contact (HRS)	Credit Points	Assessment Type	Passing Marks
CMP531	Computerized Financial Accounting	Theory	60	4	CA(20) + EE(32/80)	40/100
CMP731	Lab: Computerized Financial Accounting	Practical	30	2	EE(20/50)	20/50
					Total	60/150

Certificate in Programming Expertise in C (2016 pattern)

Code: D105

Course Code	Course Name	Theory/ Practical	Contact (HRS)	Credit Points	Assessment Type	Passing Marks

B.Sc. (Industrial Science) is not on offer this year since the approval is awaited from UGC. The learners who have already register can take further admissions.

10. Fees

The total Programme Fee consists of 2 independent parts:

- University Programme Fees (UPF)
- Study Centre Fees (SCF)

The UPF is expected to cover the expenditures incurred or to be incurred by the university on various activities related to the program. While taking admission, the learner has to pay the entire UPF through online mode to the University.

The SCF is expected to cover the expenditures incurred or to be incurred by the SC on various activities related to the program. While taking admission, the learner has to pay the entire SCF to the Study Centre in person.

The university fees include the examination fees for the **first** attempt and the Convocation fees of Rs. 300/-.

Note: No installments in the Fees will be given.

A) Certificate Programmes:

Sr. No.	Programme code	Name of the programme	University Programme Fees	Study Centre Fee	Total Fee
1)	D101	Computer Fundamentals	1100	1500	2600
2)	D102	Office Tools	1100	1500	2600
3)	D104	Computerized Financial Accounting	1100	1500	2600
4)	D105	Programming Expertise in C	1100	1500	2600
5)	D106	Data Structures using C	1100	1500	2600

11. Registration of Learners

It is necessary for the learner to attend the counseling and practical sessions at the Study Centre. So before selecting the study centre, the learner is advised to visit the nearby Study Centre of his/her choice and ensure that he/she is satisfied as per his/her needs. The list of authorized Study Centres is available on the website.

Admission Process: For admission process, please visit the university website (<http://ycmou.digitaluniversity.ac>) / Study Centre of your choice.

12. Changing the Study Centre

The Learner once registered, cannot change the Study Centre in-between the academic year for which the fees have been paid. However, while taking the admission next time, the learner can change the Study Centre.

13. Re-registration for Degree and Diploma Programmes

The registration to the programme **BCA/ BSc Industrial Science** will be valid for a period of 5 years including the year of registering for the first year. The learner should complete BCA /BSc (Industrial Science) successfully within this period.

The registration to the programme **Diploma in Industrial Science** will be valid for a period of 4-years duration. The learner should complete it within this period.

After the expiry of the valid registration period, the learner should re-register i.e. take fresh admission to the programme by paying to the University, the fees specified at that time (provided the University continues to offer this programme at that time). All the rules and regulations, which exist at the time of re-registration, will apply to the learner.

14. Evaluation

University has decided to conduct the **descriptive** end examination pattern. **Examination of all learners (including learners registered in old pattern) will be of descriptive type. Repeater learners will also be required to take descriptive type examination.**

A learner shall need to successfully complete all the courses in the academic program (including Industrial Training course, if any) to successfully complete the academic program.

The performance at the examinations for all the courses in the academic program (except those which are “exempted”) shall determine the overall class or division or Cumulative Grade Performance Average (CGPA).

Marks system:

1. For the purpose of evaluation, there are three types of courses, namely, (i) Theory Courses (ii) Practical Course (iii) Project Course
2. For **Theory Courses**, there will be two components in examination, namely, (i) Continuous Assessment (CA) and (ii) End Examination (EE).
3. The Continuous Assessment (CA) for a Theory Course shall consist of activities including assignment, class test and seminars to be set, organized and evaluated by the respective Study Centre. The marks obtained by each learner (20% of the total marks) in a format given in by examination section must be submitted by the Study Centre (SC) before the commencement of the EE, to the Controller of Examinations (CoE). The mark statement of the learners shall be displayed on the Notice Board by the SC and shall be uploaded by the YCMOU on its websites.

4. The EE (of 80 marks) shall be set, organized and evaluated under supervision and control of the Controller of Examination, YCMOU. The EE shall consist of compulsory questions of 5 marks each.
5. For successful completion of a Theory Course, the learner must secure at least 40 % marks in the EE AND at least 40% in combined total of CA and EE. In case the learner does not complete a theory course successfully, (s) he may take the EE as a repeater learner by paying requisite fee and by following stipulated procedure. Existing marks in CA of repeater learners will be considered while calculating result of repeat examination. **No repeat examination in CA will be taken. (Explanation:** A learner has, (for a course of 100 total marks), secured 20 marks out of 20 in CA and has secured 20 marks out of 80 in EE, thus has secured aggregate 40 marks out of 100. She shall not be treated as “passed” because she has not secured 40 % marks in EE. On the other hand, a learner who has obtained 5 marks out of 20 in CA (less than 40%) and 35 marks out of 80 in EE (more than 40%) thus securing 40 marks out of 100 in aggregate is treated as **successful** as she has secured more than 40% in EE and more than 40% in aggregate.)
6. There are standard errors of measurements (SEM) in any measurement process, including the psychometric process of student evaluation. To make up for injustice which may cause to examinees failing to secure required minimum marks by less than 1 SEM of marks, “grace” marks are awarded only for the Theory courses and *Theory* part of the Theory-cum-practical courses. There shall be grace marks awarded to examinees to the extent of 4% of maximum marks for the aggregate (CA+EE). Such grace marks shall be added to EE part only if the result of such operation results in the examinee becoming successful in completion of the course. Thus, for theory course of 100 marks (EE+CA), examinees who secured EE marks (out of 80) of 28,29,30 and 31 shall be given grace marks of 4,3,2,1 respectively, provided such addition results in the successful completion of the course. The modified marks shall be shown in the EE part of the mark statement.
7. For **Practical Courses** an end examination of maximum marks, shown in the course structure, shall be conducted at an examination centre with the facilities of laboratory for conduct of practical activities.
8. The learners, for the **Practical courses**, shall be evaluated with the following criteria. Actual Performance of the examinee shall carry a weight of 60%, the workbook Journal 20%, and a Viva of 20%. A candidate must secure 40% or more marks to successfully complete the practical courses.
9. No repeater examination in Continuous Assessment will be conducted.
10. The Project Work type of courses shall carry marks as defined in the course structure. Of these marks to be allotted, 50% marks are to be assigned by Internal Examiner and 50% by the External Examiner. The evaluation will be based on the performance of the learner in Viva Voce, Project Report and Presentation based on the Project work. The learner needs to secure 40% marks in the Project Examination to successfully complete the course.

Learners Evaluation with Grade system:

1. The examination system shall be same as that with the marking with the following additional changes:
2. The marks scored by the learner shall be converted into grade points using rules approved by the university authority.
3. **Letter Grade:** It is an index of the performance of students in a said course. Grades are denoted by letters O, A+, A, B+, B, C, P and F. The UGC recommends a 10-point grading system with the following letter grades and points as given below:

Letter Grade and description	Grade Point
O (Outstanding)	10
A+(Excellent)	9
A(Very Good)	8
B+(Good)	7
B(Above Average)	6
C(Average)	5
P (Pass)	4
F(Fail)	0
Ab (Absent)	0

15. Award of passing certificate

Award of Certificate: A learner becomes eligible for the award of certificate after successful completion of the course components included in the certificate programme.

Award of Diploma: A learner becomes eligible for the award of diploma after successful completion of the course components included in the diploma programme.

Award of Degree: A learner becomes eligible for award of degree after successful completion of the courses included in the concerned degree programme.

Appendix A

Yashwantrao Chavan Maharashtra Open University, Nashik

Exemption Form for First Year BCA Programme

Batch: July 2019

Name of the learner:

University /Board:

Sr. No.	Programme Name	University/Board	Year of passing	Percentage of Marks
1)	H.S.C. with mathematics			
	First year of Computer Degree Programme from other recognized university			
OR				
2)	3 years diploma in computer or information technology from State Technical board			

I am eligible for Direct Second Year Admission and hence I am applying for the same.

Date: _____

Signature of the Learner: _____

I have verified the eligibility documents for Direct Second Year Admission of the above learner and found him/her eligible for the same.

Study Centre Code: _____

Study Centre Name: _____

Date: _____

Signature of the Study Centre Coordinator: _____

Stamp and Seal of the Study Centre

Appendix B

Yashwantrao Chavan Maharashtra Open University, Nashik

Exemption Form for First Year BSc (Industrial Science) Programme

Batch: July 2019

Name of the learner:

University /Board:

Sr. No.	Programme Name	University/Board	Year of passing	Percentage of Marks
1)	Statement of Marks of Std 10 th and			
	Statement of marks of all 3 years of Diploma of MSBTE			
OR				
2)	Statement of Marks of Std 12 th			
	Statement of Marks of all 3 years of Diploma of MSBTE			
OR				
3)	Statement of Marks of Std 12 th			
	Statement of Marks of all 2 years of Diploma of MSBTE			

I am eligible for Direct Second Year Admission and hence I am applying for the same.

Date: _____

Signature of the Learner: _____

I have verified the eligibility documents for Direct Second Year Admission of the above learner and found him/her eligible for the same.

Study Centre Code: _____

Study Centre Name: _____

Date: _____ Signature of the Study Centre Coordinator: _____

Stamp and Seal of the Study Centre
