Item F-176/2019/03: To Approve the Program Design for proposed Certificate on Marital Counseling Program

(The program design for the certificate program on marital counseling was appended to agenda as Annex 02.)

Resolution

It was observed that the video lectures which have been suggested as content of the program, are recordings at University of California, Los Angeles (UCLA) on subject of psychology and focus on the issues of intimate relationships (including married couples) in American society. The social structure, problems and issues in Indian context are very different in comparison and hence these videos appear to be not suitable for the proposed program. The legal implications of such programs and other important pre-requisites for training of individual as marriage counselors may also need to be taken into considerations while designing of the program. A Program Advisory Committee consisting of Director, SCE as Chairman and Assistant Professor, SCE (Dr R R Gujar), a psychologist (Dr Mrunal Bharadwaj), a sociologist-legal practitioner (Dr Sunita Lad) as members may be constituted to design a program on this subject *de novo*.
