Abstract

School of Education of Yashwantrao Chavan Maharashtra Open University (YCMOU) has Launched M.A. (Education) Programme since 2008. In this programme Research Components having separate weightage and essential components. There are 25 Study centres in all over Maharashtra. Each centre having panel of Research Guide. These Guides are Ph.D. in Education and are working from various conventional Universities. Each University having their own policies of Research Guidance. It reflects in YCMOU's Research Guidance.

Researchers are working in School of Education (SOE). The SOE conducted three days Training Programme for Research Guides for similarity of Guidance on various study centres all over Maharashtra. In this training 11 Components were taken such as various Concepts in Research, Review of related Literature, Action Research & Qualitative Research, Sampling Tools for Research, Pilot Study, Research Proposal, Use of ICT in Research & Use of Software for Quantitative Analysis, Report writing and Ethics in Research. The role of the faculty was as a facilitator of the workshop. Researcher collected the feedback about the effectiveness of the training programme. The training strategy of the training Programme was effective for the Research Guides. It reflected in the Research report which has been submitted from the study centres.

Introduction
